What is PYDS?

Stories of Smiles, Hopes, Passion, Learning & Excellence of "UNDERPRIVILEGED FIRST Generation Learners".

It is a **fee free** School located in a small village called Purkal in the foothills of The Himalayas.

Although commenced in 1998, registered in 2003 as a Society.

The idea of an informal home tutoring facility transformed into sponsoring of a handful of children into reputed Schools with after School help. It operated from rented cattle sheds, tents and a semi constructed house until 2006. Over the years it has become a full-fledged CBSE affiliated School (PYDS Learning Academy) for over 435 rural children with good infrastructure.

Are we different?

- Excellent track record in terms of transparency, accountability, donor satisfaction, program delivery, community development programs etc.
- Governing body and Full Time CEO are all unpaid volunteers.
- We depend entirely on charity with no Government aid.
- Excellent holistic education, day long nutrition, and comprehensive healthcare, all for free.
- School opens 10 hrs a day, 6 days a week & 270 days a year.
- We admit only deprived children & closely track progress.
- Class strength is 25 per class; with girls / boys ratio of 16:9.
- Tie ups with path breakers such as tGelf, Acer, Xseed, IAYP, Etasha etc to make learning multifaceted.
- Development of theatre skills, dance, music, sports, yoga and digital learning.
- Compulsory hostel facility for all senior students to enhance performance.
- Sponsoring of all our deserving students to universities.

- **Fund a Meal scheme
(To commemorate an event)**

We provide four feeds a day (breakfast, fruit, lunch, snacks & milk*). The Body mass Index of almost all of our students are at par with National and International standards.

Our four fund a Meal schemes range between Rs.2, 500/- to Rs.10, 000/- (\$ 40 - \$ 155).

You can make any event memorable by sponsoring a day's meal at PYDS.
