The MAX India Foundation conducted a vaccination camp at our school. More than 500 of our students were given the Typhoid vaccine. Doctors from Max Hospital were present and all the vaccines were provided by them free of cost along with refreshments.

Teacher's Training workshop for 4 days was organized for our teachers. Our Principal conducted this workshop.

Mr. Deepak Ramola founder of Project FUEL (Forward the Understanding of Every Life Lesson), took a session on Life based values. His team collected life lessons from our staff members and documented them. These lessons have been framed and now adorn walls around the school.

During the month, many of the students were sent to different intra-city excursions. These included FRI, Ureda Energy Park, Science Park, Aanchal Dairy and Wadia Institute.
