

Purkal Bulletin - August 2018

The School looks forward to the Independence Day Celebrations at our campus every year. The March past and aerobics performance by the students of Classes 6 to 12 was both colorful and brilliant. Patriotic songs followed this by different classes.

We celebrated 15th anniversary of our society on the 8th August. Our society was registered on this day 15 years ago. We planted 15 trees on this day to mark the occasion.

An essay competition on the life of Great Indian Scientist Dr. Vikram Sarabhai was organized to celebrate his birth ceremony by Doon University and the Jain community at Vigyan Bhawan Dehradun. The first position was secured by Kiran Panwar of class 12th Science. Neelam Semwal and Aditi Thapli of the same class grabbed the second and third positions respectively. Around 40 students from 5 schools participated in the event.

10 of our children attended the DSMUN' 18 (Doon School Model United Nation) for three days. There were 12 committees and our children were the part of almost all the committees like human rights, atomic energy and disarmament committee, etc.

The Better India and Business Standard have published an article about our Society's impact on the community. Can be read at Link:
