

Purkal Bulletin - May 2016

This month we inaugurated our new residential block for 60 girls. Four new dormitories have been made operational.

For the seventh year in succession, we had the pleasure of the French couple Daniella and Françoise volunteering. They trained 5 of our classes, namely classes 1, 2, 3, 4 and 5 in English Drama. The plays were an outstanding success.

42 of our students participated in the Terry Fox Run conducted by The Doon School.

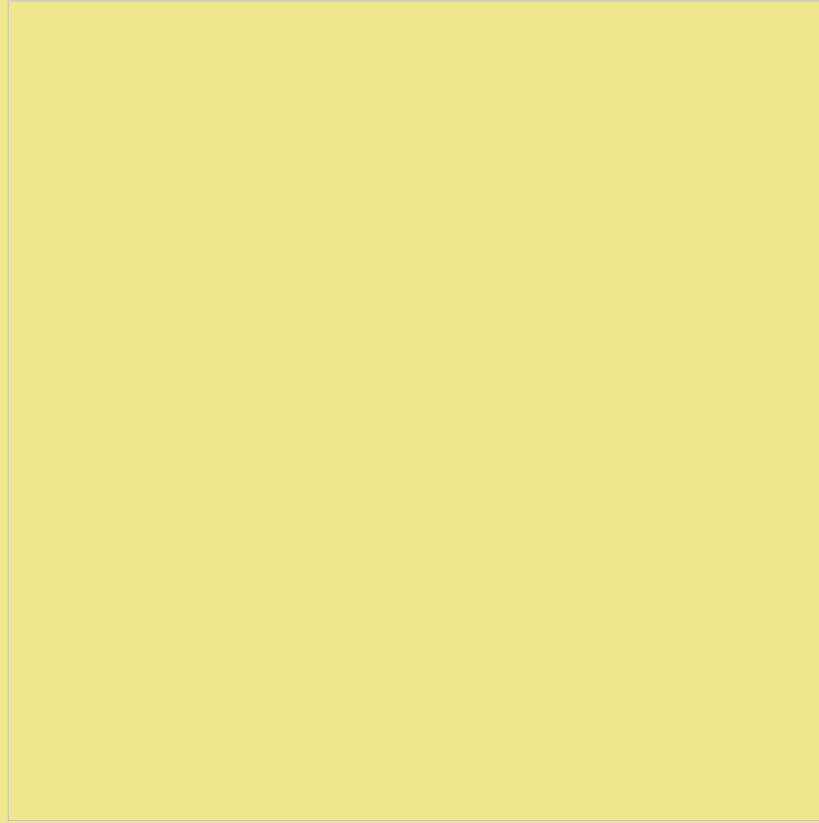

The students from our school participated and won the second position among the 25 schools who participated in an Inter School 'Rupali Memorial' Painting competition organized by the Doon Girls School. Riya and Ifra from our school were awarded the 2nd and 3rd position in different categories.

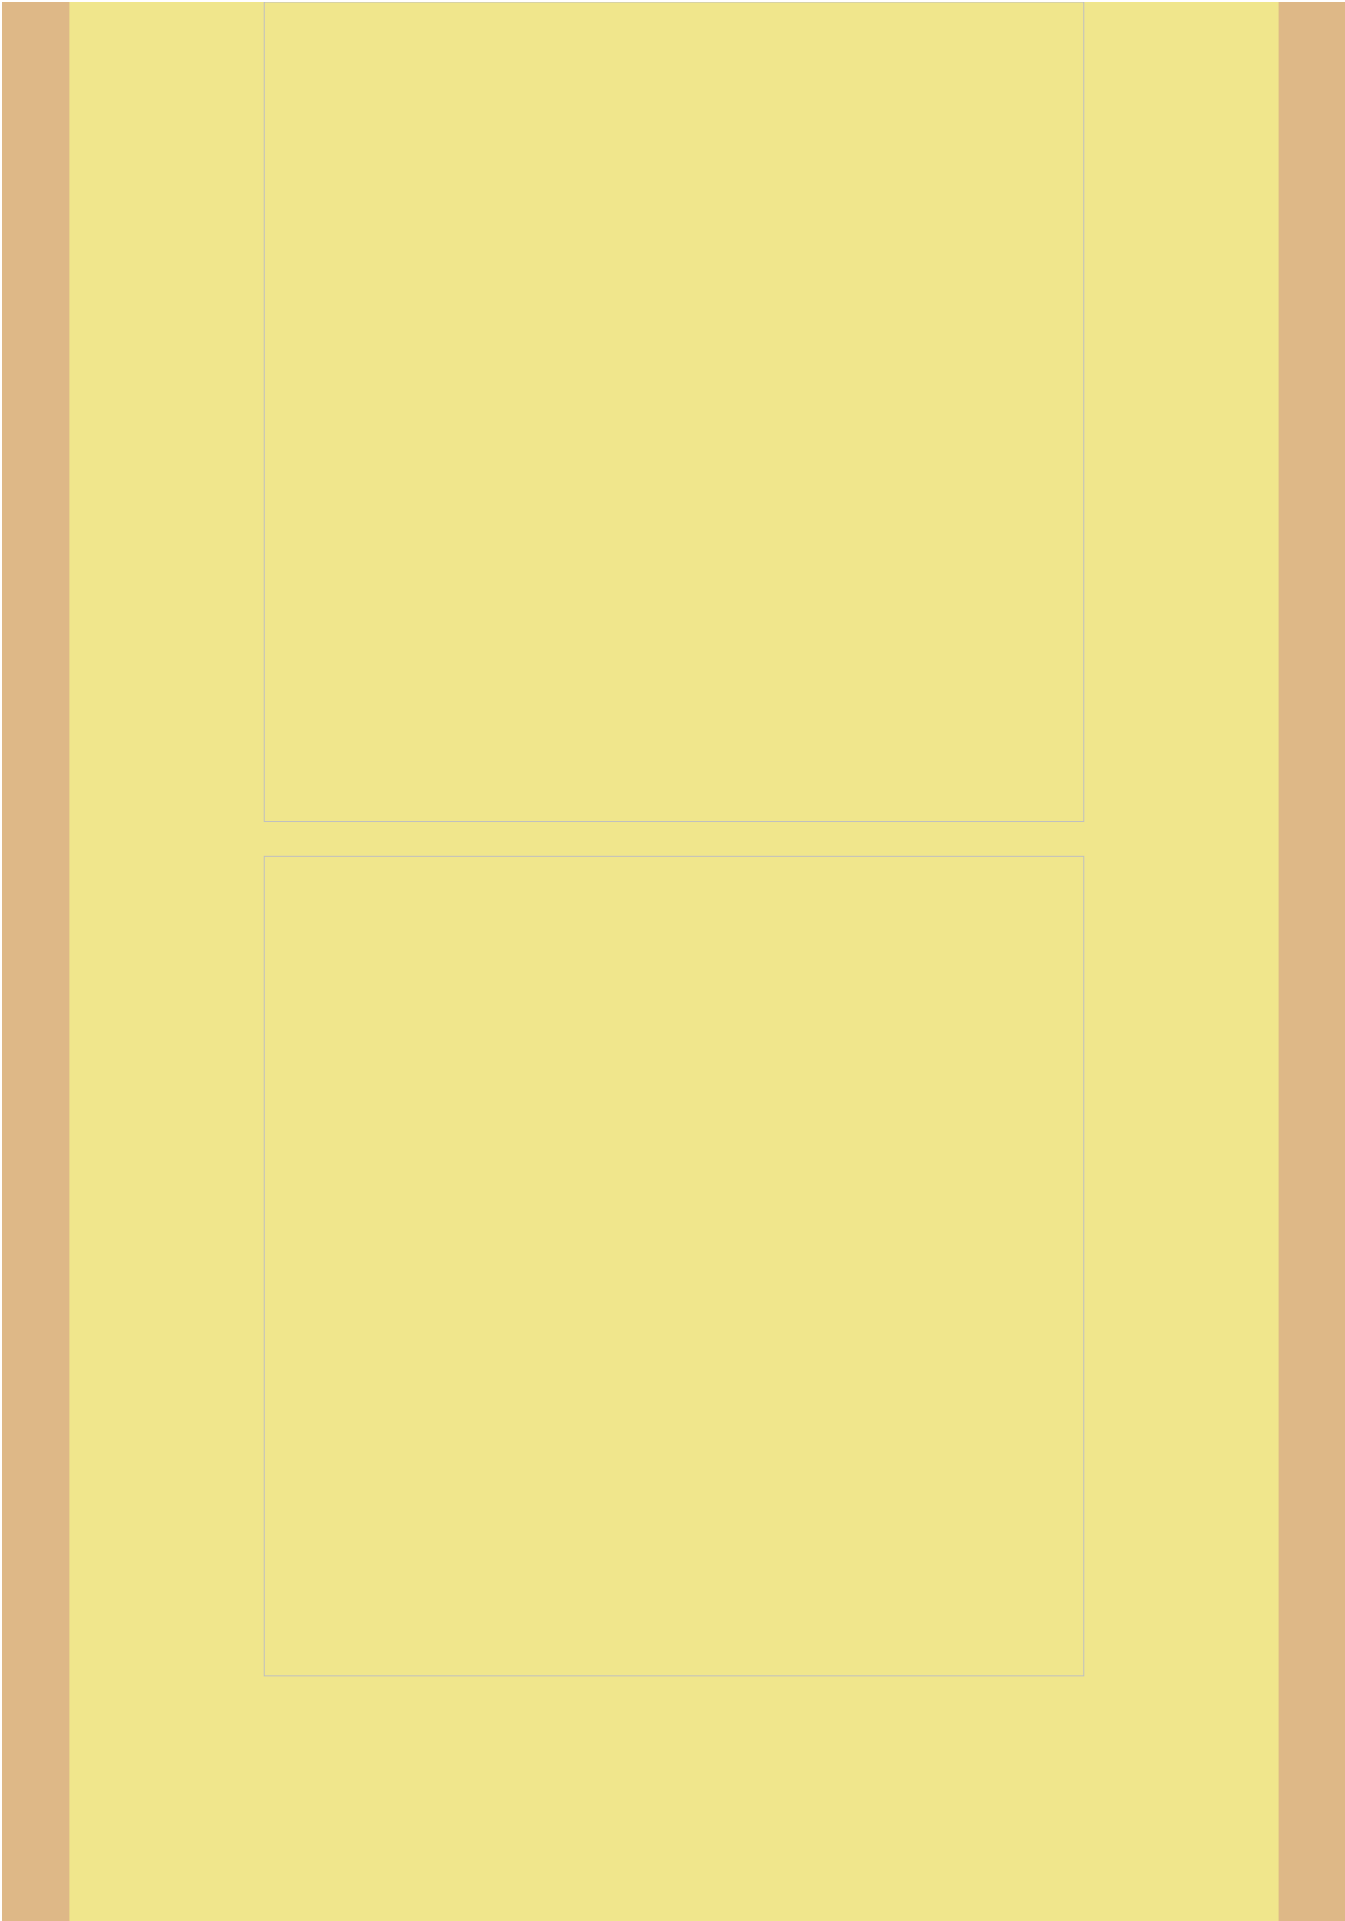

Four of our children, 2 boys and 2 girls were selected for the under- 18 team of Utrakhand Basketball State Championship. They were Rohit Dangwal, Akash Pokhriyal, Shreya Joshi and Sheeba Prkash.

75 of our students participated in a trek to Landour for three days. They camped at Landour for the first night after 7 hour of climb. They trekked again next day for 24Kms. This trek is a part of an adventure programme under IAYP.

We now have a Chapatti Making Machine thanks to a donor.
