

Purkal Bulletin - August 2019

73rd Independence Day celebrated with a beautiful display of *Yoga Asanas*, patriotic music and a colorful cultural program!

A proud moment when 4 students made it to the U-14 State Basketball Team.. and this was not all, both boys' and

girls' state teams grabbed the gold! :)

Gaurav Rawat of class 8th got selected in the **Indian National U-14 Basketball Team**. He is now representing Uttarakhand at the JLN Indoor Stadium in Cuttack, Orissa.

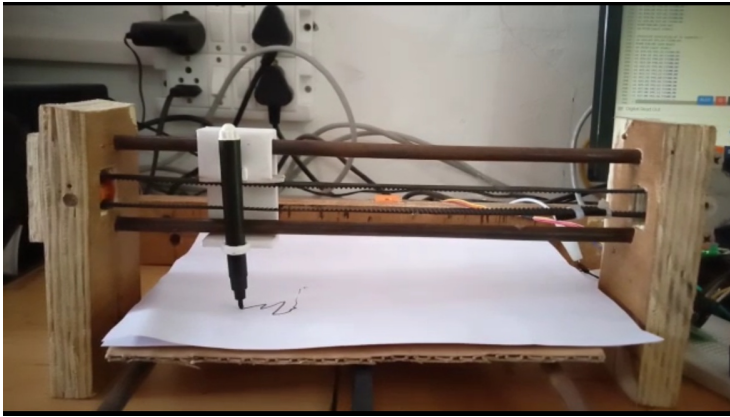

Senior students enthusiastically participated in the biggest student MUN in India conducted at The Doon School.

Model United Nations (MUN) is a stimulated version of The United Nations Conference in which student delegates debate on topics of global importance.

Isha Sharma of class 11th, an energetic sportsperson of the PYDS squad, was awarded the **Promising Player Award** at the **1st Girls' International Basketball Tournament** held at Unison School, Dehradun.

Completed the 1st milestone in

constructing our own laser cutter - building the CNC Plotter Machine.

The idea was to learn about the movements of axis and transferring a design from the computer onto paper, before going ahead and buying a costly

laser cutter equipment. **Happy Tinkering! :)**

Participated in the **Waste Warriors' initiative Plastic Gullak, or piggy-bank**, to collect plastic wastes from the Purkal campus. The material collected will be sent for recycling, and cost of waste (by weight) will be donated back to the Society!

And finally, a special Thank You to partner universities for providing scholarships to our students, to pursue higher studies..
