

# The Brightness That Will Last

Finally, when the mist settled amidst these uncertain times, what revealed itself was truly fulfilling.

On this Diwali, we bring to you success stories of our Class XII 2019-20 batch graduates. They have entered a new phase of life and shall become beacons of success.

In time, we are sure they will bring joy and fulfilment to their families and communities, thus realizing our Society's Mission and reaffirming the reason for our existence.
