

Awarded as Regional Winner of 10th Spirit of Humanity Annual Awards 2019 by Americares India Foundation for creating tangible Social Impact.

The Grantor followed a stringent 3-step evaluation process in order to identify the Best-in-Class NGOs. 350 social sector organizations across India submitted their nomination for this prestigious award.

Purkal Bulletin - September 2019

Sportsman Spirit, Strength, Winners, Team Work, Physical Skill and Happiness describes this years **Annual Sports Day**. Conducted on 19th and 20th of September, entire school participated and gave their best in every sport. Games like Kabaddi, Kho-kho, shot put, handball, etc. were held at Kasiga School, Dehradun, who provided us their playground for the event. In all the tournaments, the four houses (Kachnar (Red), Gulmohar (Blue), Amaltas (Yellow), Dhak (Green)) competed against each other.

Kachnar House won the **Best House Trophy for 2019-20** with Gulmohar House being the runner up.

Marathon was conducted in school on 14th September where students and teachers actively participated. Senior students covered 6 km distance in which **Shubham Thapli** grabbed the *1st position*.

On the occasion of our **Founder Mr. G.K Swamy's 83rd birthday** on **September 26**, the School organized a **Blood Donation Camp** in association with a local hospital. We were able to collect **51 units** of blood from our teachers, students as well as ladies from Purkal Stree Shakti Samiti (our sister NGO). The objective was to live up to our School's motto '**Life is for Giving**'.

Navjeevan children belong to the remote villages of upper Uttarakhand, they had the first time experience of visiting the zoo and were excited to see different animals. They firmly followed the zoo ethics while some of them were sad to see the animals caged.

A **medical camp** was organised at school. Everyone was provided with preventive medicine for dengue. Several other steps including awareness sessions and anti mosquito fogging drive were conducted.

A fascinating **storytelling session** was organised on 17th September for our Primary section by **Ms. Anubha Rastogi**. The children enjoyed listening to a number of stories and had the opportunity to share their stories during the session.

Thanks to the Doon School, our class 12 students had an opportunity to attend **Career Fair**. Several foreign and Indian Universities have put up the stall. Students got to know about different career opportunities and courses that they can opt for after class 12th.

An interactive session on **Entrepreneurship** was conducted in by **Dr. Anil Jaggi**, a distinguished entrepreneur based in Dehradun, who shared instances from his professional experiences and life journey. In the interactive session students could relate to the examples cited by Dr.Jaggi.
